(1) the symptoms, exact nature, severity, and expected duration of the deficits resulting from the defendant's mental

15 46B.073; or

16 (2) release the defendant on bail under Article
17 46B.072.

18 (b) On a determination that a defendant is incompetent to

20 foreseeable future, the court shall:

21 (1) proceed under Subchapter E or F; or

22 (2) release the defendant on bail as permitted under

24 SECTION 10. Article 46B.072, Code of Criminal Procedure, is

26 Subsection (a-1) to read as follows:

27 (a) This article applies only to a defendant who is subject

1 to an initial restoration period based on Article 46B.071.

2 (a-1) Subject to conditions reasonably related to assuring
3 public safety and the effectiveness of the defendant's treatment,
4 if the court determines that a defendant found incompetent to stand
5 trial is not a danger to others and may be safely treated on an
6 outpatient basis with the specific objective of attaining
7 competency to stand trial and if an appropriate outpatient
8 treatment program is available for the defendant, the court:

9 (1) may release on bail a defendant found incompetent
10 to stand trial with respect to a felony or may continue the
11 defendant's release on bail; and

12 (2) shall release on bail a defendant found
13 incompetent to stand trial with respect to a misdemeanor or shall
14 continue the defendant's release on bail.

15 (b) The court shall order a defendant released on bail under

18 (c) Notwithstanding Subsection (a-1) [~~(a)~~], the court may
19 order a defendant to participate in an outpatient treatment program
20 under this article only if:

21 (1) the court receives and approves a comprehensive
22 plan that:

23 (A) provides for the treatment of the defendant
24 for purposes of competency restoration; and

25 (B) identifies the person who will be responsible
26 for providing that treatment to the defendant; and

27 (2) the court finds that the treatment proposed by the

1 plan will be available to and will be provided to the defendant.

2 SECTION 11. Articles 46B.073(a) and (b), Code of Criminal
3 Procedure, are amended to read as follows:

4 (a) This article applies only to a defendant not released on
5 bail who is subject to an initial restoration period based on

13 is charged with an offense punishable as a misdemeanor; or

14 (2) a period of not more than 120 days, if the
15 defendant is charged with an offense punishable as a felony [not to
16 exceed 120 days for further examination and treatment toward the
17 specific objective of attaining competency to stand trial].

18 SECTION 12. Subchapter D, Chapter 46B, Code of Criminal
19 Procedure, is amended by adding Article 46B.0755 to read as
20 follows:

21 Art. 46B.0755. PROCEDURES ON CREDIBLE EVIDENCE OF IMMEDIATE
22 RESTORATION. (a) Notwithstanding any other provision of this
23 subchapter, if the court receives credible evidence indicating that
24 the defendant has been restored to competency at any time after the
25 defendant's incompetency trial under Subchapter C but before the
26 defendant is transported under Article 46B.075 to a mental health
27 facility, residential care facility, or outpatient treatment

1 program, as applicable, the court may appoint disinterested experts
2 to reexamine the defendant in accordance with Subchapter B. The
3 court is not required to appoint the same expert or experts who
4 performed the initial examination of the defendant under that
5 subchapter.

6 (b) If after a reexamination of the defendant the applicable
7 expert's report states an opinion that the defendant remains
8 incompetent, the court's order under Article 46B.072 or 46B.073
9 remains in effect, and the defendant shall be transported to the
10 facility or outpatient treatment program as required by Article
11 46B.075. If after a reexamination of the defendant the applicable
12 expert's report states an opinion that the defendant has been
13 restored to competency, the court shall withdraw its order under
14 Article 46B.072 or 46B.073 and proceed under Subsection (c) or (d).

15 (c) The court shall find the defendant competent to stand
16 trial and proceed in the same manner as if the defendant had been
17 found restored to competency at a hearing if:

18 (1) both parties agree that the defendant is competent
19 to stand trial; and

20 (2) the court concurs.

21 (d) The court shall hold a hearing to determine whether the
22 defendant has been restored to competency if any party fails to
23 agree or if the court fails to concur that the defendant is
24 competent to stand trial. If a court holds a hearing under this
25 subsection, on the request of the counsel for either party or the
26 motion of the court, a jury shall make the competency
27 determination. For purposes of the hearing, incompetency is

1 presumed, and the defendant's competency must be proved by a
2 preponderance of the evidence. If after the hearing the defendant
3 is again found to be incompetent to stand trial, the court shall
4 issue a new order under Article 46B.072 or 46B.073, as appropriate
5 based on the defendant's current condition.

6 SECTION 13. Article 46B.077(a), Code of Criminal Procedure,
7 is amended to read as follows:

8 (a) The facility to which the defendant is committed or the
9 outpatient treatment program to which the defendant is released on
10 bail shall:

11 (1) develop an individual program of treatment;
12 (2) assess and evaluate whether the defendant is
13 likely to be restored to [~~will obtain~~] competency in the
14 foreseeable future; and

15 (3) report to the court and to the local mental health
16 authority or to the local mental retardation authority on the
17 defendant's progress toward achieving competency.

18 SECTION 14. Article 46B.079, Code of Criminal Procedure, is
19 amended to read as follows:

20 Art. 46B.079. NOTICE AND REPORT TO COURT. (a) The head of
21 the facility or the provider of the outpatient treatment program,
22 as appropriate, not later than the 15th day before the date on which
23 the initial [a] restoration period is to expire according to the
24 terms of the order or under Article 46B.0095 or other applicable
25 provisions of this chapter, shall notify the applicable court that
26 the [~~restoration~~] period is about to expire.

27 (b) The head of the facility or outpatient treatment program

1 provider shall promptly notify the court when the head of the
2 facility or outpatient treatment program provider believes that:

3 (1) the defendant has attained competency to stand
4 trial; or

5 (2) the defendant is not likely to ~~[will not]~~ attain
6 competency in the foreseeable future.

7 (c) When the head of the facility or outpatient treatment
8 program provider gives notice to the court under Subsection (a) or
9 (b), the head of the facility or outpatient treatment program
10 provider also shall file a final report with the court stating the
11 reason for the proposed discharge under this chapter and including
12 a list of the types and dosages of medications prescribed for ~~[with~~
13 ~~which]~~ the defendant ~~[was treated for mental illness]~~ while the
14 defendant was in the facility or participating in the outpatient
15 treatment program. To enable any objection to the findings of the
16 report to be made in a timely manner under Article 46B.084(a), the
17 court shall provide copies of the report to the attorney
18 representing the defendant and the attorney representing the state.

19 (d) If the head of the facility or outpatient treatment
20 program provider notifies the court that the initial restoration
21 period is about to expire, the notice may contain a request for an
22 extension of the period for an additional period of 60 days and an
23 explanation for the basis of the request. An explanation provided
24 under this subsection must include a description of any evidence
25 indicating a reduction in the severity of the defendant's symptoms
26 or impairment.

27 SECTION 15. Articles 46B.080(b) and (c), Code of Criminal

1 Procedure, are amended to read as follows:

2 (b) The court may enter an order under Subsection (a) only
3 if the court determines that~~[, on the basis of information provided~~
4 ~~by the head of the facility or the treatment program provider]~~:

5 (1) the defendant has not attained competency; and

6 (2) an extension of the initial restoration period
7 will likely enable the facility or program to restore the defendant
8 to competency within the period of the extension.

9 (c) The court may grant only one 60-day extension under this
10 article in connection with the specific offense with which the
11 defendant is charged ~~[for a period of restoration ordered under~~
12 ~~this subchapter]~~.

13 SECTION 16. Article 46B.084(a), Code of Criminal Procedure,
14 is amended to read as follows:

15 (a) On the return of a defendant to the court, the court
16 shall make a determination with regard to the defendant's
17 competency to stand trial. The court may make the determination
18 based ~~[solely]~~ on the report filed under Article 46B.079(c) and on
19 other medical information or personal history information relating
20 to the defendant. A~~[, unless any]~~ party may object ~~[objects]~~ in
21 writing or in open court to the findings of the report not later
22 than the 15th day after the date on which the court received
23 notification under Article 46B.079. The court shall make the
24 determination not later than the 20th day after the date on which
25 the court received notification under Article 46B.079, regardless
26 of whether a party objects to the report as described by this
27 subsection and the issue is set for hearing under Subsection (b).

SECTION 17. Articles 46B.086(a) and (c), Code of Criminal Procedure, are amended to read as follows:

(a) This article applies only to a defendant:

(1) who is determined under this chapter to be incompetent to stand trial;

(2) who either:

(A) remains confined in a correctional facility, as defined by Section 1.07, Penal Code, for a period exceeding 72 hours while awaiting transfer to an inpatient mental health facility, a residential care facility, or an outpatient treatment program;

(B) is committed to an inpatient mental health facility or a residential care facility for the purpose of competency restoration;

(C) is confined in a correctional facility while awaiting further criminal proceedings following competency restoration treatment; or

(3) for whom a correctional facility that employs or contracts with a licensed psychiatrist, an inpatient mental health facility, a residential care facility, or an outpatient treatment program provider has prepared a continuity of care plan that requires the defendant to take psychoactive medications; and

(4) who, after a hearing held under Section 574.106, Health and Safety Code, if applicable, has been found to not meet

1 the criteria prescribed by Sections 574.106(a) and (a-1), Health
2 and Safety Code, for court-ordered administration of psychoactive
3 medications.

4 (c) The court, after notice and after a hearing held not
5 later than the 10th day after the motion to compel medication is
6 filed [~~fifth day after the defendant is returned to the committing~~
7 ~~court~~], may authorize the director of the correctional facility or
8 the program provider, as applicable, to have the medication
9 administered to the defendant, by reasonable force if necessary. A
10 hearing under this subsection may be conducted using an electronic
11 broadcast system as provided by Article 46B.013.

12 SECTION 18. Article 46B.101, Code of Criminal Procedure, is
13 amended to read as follows:

14 Art. 46B.101. APPLICABILITY. This subchapter applies to a
15 defendant against whom a court is required to proceed according to
16 [~~under~~] Article 46B.084(e) or according to the court's appropriate
17 determination under Article 46B.071.

18 SECTION 19. Article 46B.151(a), Code of Criminal Procedure,
19 is amended to read as follows:

20 (a) If a court is required by Article 46B.084(f) or by its
21 appropriate determination under Article 46B.071 to proceed under
22 this subchapter, or if the court is permitted by Article 46B.004(e)
23 to proceed under this subchapter, the court shall determine whether
24 there is evidence to support a finding that the defendant is either
25 a person with mental illness or a person with mental retardation.

26 SECTION 20. The Department of State Health Services, in
27 coordination with the Health and Human Services Commission, shall

1 study the feasibility of providing home and community-based
2 services, instead of institutional care, to persons with severe and
3 persistent mental illness who have a history of more than one
4 inpatient commitment under Chapter 46B, Code of Criminal Procedure.
5 Not later than December 1, 2012, the department shall issue a report
6 to the legislature regarding the results of the feasibility study.

7 SECTION 21. (a) Except as provided by Subsection (b) of
8 this section, the change in law made by this Act applies only to a

13 added by this Act, applies only to a motion suggesting a defendant's
14 incompetency to stand trial made on or after the effective date of
15 this Act. A motion suggesting a defendant's incompetency to stand
16 trial made before the effective date of this Act is covered by the
17 law in effect when the motion was made, and the former law is
18 continued in effect for that purpose.
